Volunteering programs

Algoos Volunteering Program

— Winston Churchill

"We make a living by what we get, but we make a life by what we give"

Algoos has selected some of the most amazing volunteering projects that make the difference in this world. All our Volunteering projects are absolutely free of charge. At the end of the day our morals wouldn't allow us to charge people that thinking making a difference in this world is what matters. As a company we are proud to support all these incredible volunteering projects worldwide where help and contribution are truly needed.

Volunteering makes important economic and social contributions, contributing to a more cohesive society by building trust and reciprocity among citizens. It can be both challenging and rewarding and require you to use your skills in a new context. You can also transfer useful knowledge while gaining a greater understanding of the issues affecting other people.

Make the difference whilst you have the time of your life in the wild jungles of Africa, South America and anywhere else where your skills and knowledge is of great importance!

Malta

Malta has always packed more into its tiny coastline than any other island. Situated in the very center of the Mediterranean, boasting an enviable combination of beautiful scenery, frenetic nightlife, rich history and "unusually friendly" people as noted by St. Paul. Malta is a cross between an open air museum and a hedonistic Mediterranean resort. It remains one of the safest English-speaking countries in the world. As a result, its popularity amongst students and travelers has been growing steadily. It is required to work 5 days per week between 30-40 hours. Every student needs to apply at least two months in advance to arrange his position and all the necessary paperwork and details for their trip. Malta is a great destination to do an internship in a chosen field but everyone will be entitled to pay the program fee and their own expenses in Malta while the salary will be only in the form of bonus.

The internship positions and jobs that you can find in Malta vary from engineers, architects to positions in hotels, bars and restaurants. Algoos Study Work and Travel Local Agency will assist you with finding a placement position and applying for your Practice visa if you are a non EU resident.
