

DONGSEO UNIVERSITY - KOREAN GOVERNMENT SCHOLARSHIP PROJECT (KGSP)

Dongseo University recently selected for the Korean Government Scholarship Project (KGSP) to support incoming international students to Dongseo University.

Final scholarship approval will be made by the Korean Government. Only excellent students can be nominated, they will be approved by the government. If their grade and other documents are not good enough, there is a possibility to be disapproved and some of our nominated students were rejected last semester.

To study at DSU, students should have good Korean or English capabilities.

Courses taught in English:

- International Studies Department
- Biotechnology Department
- Computer Engineering
- Digital Contents and Film & Video Department

In other departments, the courses are taught in Korean language.

For exchange students, 2nd or 3rd year students are preferable.

The scholarship includes **round-trip air fare** (there is a limit), **settlement fee** (200,000Won), **monthly living expense** (500,000Won per month), and **medical insurance**.

The scholarship will be provided for one semester (4 months).

For your information, the monthly living expense was now reduced to 500,000 won per month.

The application deadline for the scholarship is June 9. Candidates deadline **May 27**.

The list of required documents is as follows:

- 1) Completed Application Form (DSU's form, attached)
- 2) Certificate of Enrollment at your university
- 3) Transcript (English)
- 4) Personal Statement and Study Plan (Government's Forms, attached)
- 5) Medical Check-up form (DSU's form, attached)
- 6) Official Korean or English score (if any, TOPIK, TOEFL, IELTS, and etc. Within two years from today)
- 7) Other Certificates (if any, certificates for volunteer work, prizes, and any other career or activities)
- 8) Passport copy

Item 6 and 7 are not necessary if you don't have it. However, if there is, you can get extra points when Korean government reviews their documents.

To be approved by the government, please write well the study plan and the personal statement which are the government's form.

The recommendation is also important. A form of recommendation is included in the application form.

About GPA, the higher, the better. It is the most important factor.

Students who get this scholarship are required to do these following things according to the government policy.

1. They should take at least one subject (more than 2 credits) related to Korean or Korean culture at DSU.

2. They should submit an essay about their study in Korea before they leave.

Good luck!

Wish you the best!
