Fr - <https://www.montpellier-supagro.fr/international/venir-etudier-montpellier-supagro/venir-en-echange-academique>

### Teaching Languages

Depending on courses: French and/or English

### French courses

*French courses free of charge:*

- 30 hrs the first fortnight of September or last fortnight of January
- 2hrs / week throughout the semester

En: <https://en.montpellier-supagro.fr/programs/languages-courses-summer-school/french-foreign-language-file>

Fr: <https://www.montpellier-supagro.fr/international/venir-etudier-montpellier-supagro/langues/francais-langue-etrangere-file>

*French Summer Paying Courses (July and/or August):*

En - <https://en.montpellier-supagro.fr/programs/languages-courses-summer-school/french-foreign-language-file>

Fr - <https://www.montpellier-supagro.fr/international/venir-etudier-montpellier-supagro/langues/campus-dete/langue-culture>

### Other language courses

English, Spanish and German: 1hr30/week, subject to available places

### Grading System

Credits are given in accordance with the ECTS System.

The examinations are scored on the French rating system ("0" to "20", with "20" being the best and "10" being the minimum score to validate a course).

## Training in a Joint Research Unit and Internship at Montpellier SupAgro

### Period

Internships can begin at any time of the year. Internship may last from 2 to 6 months. Internships of more than two months are remunerated but more difficult to obtain.

### Language requirements

Proficiency is required in French or in English. In some cases, other languages can be accepted.

### Contacts

Students must choose the Joint Research Units (UMR) they are interested in and send a message to the contact person indicating the period they are interested in and the topics they would like to work on.

List of UMR and internship contacts:
